1. Confidential Resources

The following is a list of confidential resources that can be contacted for support, counseling and advice. The information shared with these resources generally will be held in confidence, consistent with the University's obligation to address complaints of sexual violence, unless the person sharing the information gives his or her consent to the disclosure of that information. The commitment to confidentiality does not preclude the sharing of information among responsible University administrators as needed, including to keep members of the University community safe.
